GET STARTED

Scan to visit the website:

ONE

After you register to host a screening, get started with these easy steps:

1. **Choose a date & venue**: This doesn't need to be intimidating. It can be as small as a gathering at your home or as large as a full theater experience. Then, mark your calendar!

2. **Spread the word:** Invite friends and colleagues to join you or use the social media examples included in this guide.

3. **Discuss:** Use the <u>discussion guide</u> to lead the conversation.

GIVE A SNEAK PREVIEW

TWO

Get people excited!

In preparation for your hosted screening, sharing the word about the event is easy. Simply use one of the trailer links below and the text provided on the next page

- https://idf.primaryimmune.org/compromised-trailer-1
- https://idf.primaryimmune.org/compromised-trailer-2
- https://idf.primaryimmune.org/compromised-trailer-3

SOCIAL MEDIA SAMPLES

THREE

- Join me [DATE] for a special group screening of "Compromised: Life Without Immunity." This documentary film produced by the Immune Deficiency Foundation is about the struggle and hope of living with a primary immunodeficiency and is suitable for most audiences. The screening will be held at [LOCATION] at [TIME]. I hope to see you there!

- The immune system affects everything. Join me for a screening of "Compromised: Life Without Immunity" to learn about the impossible decisions people with primary immunodeficiencies have to make.

DISCUSS THE FILM

Use the **Discussion Guide** to:

- Get insights from the director.

- Lead a guided conversation (starters for quick chats or deeper discussions included).

- Share more information about the Immune Deficiency Foundation and primary immunodeficiencies.

- Share with your entire audience as an educational tool.
