Grassroots Advocacy Specialist -- Part-time, Temporary

The Immune Deficiency Foundation improves the diagnosis, treatment, and quality of life of people affected by primary immunodeficiency through fostering a community empowered by advocacy, education, and research. IDF is searching for someone to work with the advocacy team to:

- Develop three Advocacy Workshop web page materials and virtual webinars
- Develop a Web-based patient engagement advocacy toolkit
- Develop a virtual webinar to accompany the toolkit
- Assist Government Relations Manager in coordination and implementation of advocacy workshops and webinar for patient engagement

Required skills:

- Experience with advocacy or public policy issues
- Strong organization skills and proven experience working independently
- Excellent written and oral communication skills
- Microsoft PowerPoint
- Ability to work remotely and complete the projects in the current virtual climate
- Grassroots experience a plus

Position is Temporary (July 13 - November 6, 2020) and 24 hours per week.

Please send resume and cover letter to hr@primaryimmune.org
