MISSION & VISION

ABOUT IDF
Founded: 1980
Headquarters: Towson, Maryland

MISSION STATEMENT
The Immune Deficiency Foundation (IDF) improves the diagnosis, treatment, and quality of life of people affected by primary immunodeficiency through fostering a community empowered by advocacy, education, and research.

VISION STATEMENT
IDF seeks to ensure that everyone in the U.S. affected by PI has a fully informed understanding of
(1) the PI diagnosis that affects them,
(2) all available treatment options,
(3) the expected standard of care,
(4) all of their opportunities for connection and support within the PI community.
CORE VALUES

INCLUSION
We only reach our full potential as a community when everyone has an opportunity to belong.

INTEGRITY
It’s critically important that we are trustworthy stewards for the IDF Community.

INNOVATION
We will embrace new solutions to challenges and new ways to strengthen the IDF community.

GUIDING PRINCIPLES

COMMITMENT
Developing mindful relationships and building communities starts with a commitment to serve.

LEADERSHIP
Leading with fearlessness, enthusiasm, and decisiveness is critical to growth.

ACCOUNTABILITY
The personal ownership of actions, decisions, and responsibilities is a key component to success.

CONSTITUENT PROMISE

TRANSPARENCY
You can expect open communications, readily available information, and fiscal accountability.

TRUST
You can expect that information shared by IDF is verified, researched, and trustworthy.

COMPASSION
You can expect to be treated fairly, honestly, and kindly by IDF.
STRATEGIC OBJECTIVES

OBJECTIVE ONE
IDF will grow its community of those affected by PI threefold over the next five years.

OBJECTIVE TWO
IDF will strive to remove disparities in diagnosis and treatment to promote more equitable outcomes for all PI patients.

OBJECTIVE THREE
IDF will improve the diversity of its community to better reflect the U.S. population.
