

## Your Donation Makes a Difference

A tribute donation offers you a thoughtful way to celebrate a special person or occasion while contributing to further IDF's mission.

## Notify Your Honoree

When a "Memorial & Tribute" donation is made, a notification is sent to the person or family indicated, informing them of your thoughtful recognition.

## Share Your Story

For prospective donors, nothing is more valuable than hearing from you about your experiences with PI. This is your opportunity to share why you're asking for donations.

# MEMORIALS & TRIBUTES

If there is someone special in your life who shares a connection to Primary Immunodeficiency (PI), establishing a memorial or tribute is a meaningful way to honor that person or celebrate a special occasion such as a birthday or holiday. Your gift will be a lasting recognition to that special person and will contribute to improving the lives of those affected by PI. Visit our website or contact [development@primaryimmune.org](mailto:development@primaryimmune.org) for more information.

## Think Long Term

Don't forget that donations can be set up to recur monthly, having a lasting impact throughout the year.

## There Is No Perfect Donation Amount

Even a \$10 donation means IDF can provide resources to the PI community at no cost to the individual.

## IDF Remembers Plaque

Include the name of your loved one on the IDF Memorial Plaque which stands as a lasting tribute to those we have lost from the PI community.
